# DATAFY
## Linking Data into Insights

✉ info@datafysystems.com

🌐 datafysystems.com

☑ CAGE CODE: 02L22

☑ UEI: UUQTWZS55SY4

## CORE CAPABILITIES

☑ **Integrated Data Management & ETL Pipelines**
Harmonize diverse data sources with efficient, custom-built ETL workflows.

☑ **Cloud Infrastructure Optimization**
Enhance resource utilization, performance, and cost-efficiency using advanced optimization strategies.

☑ **Real-Time Analytics & Visualization**
Deploy live dashboards and reporting tools to deliver timely, actionable business insights.

☑ **AI-Driven Expert Systems**
Implement intelligent automation to boost decision-making, streamline operations, and strengthen strategy.

☑ **Database Support Operations**
Comprehensive expertise in database design, refreshes, backup/restore, tuning, and infrastructure monitoring.

## DIFFERENTIATORS

☑ **Minority-owned and Maryland-based, with a strong presence in the DMV region.**

☑ **Proven expertise across multiple database platforms** (Oracle, MariaDB, PostgreSQL) and cloud providers (AWS, Azure, GCP).

☑ **Strong background in ETL development, O&M, and real-time business intelligence.**

☑ **Tailored solutions for small-to-mid-sized businesses** ($1M−$50M revenue), with a focus on measurable ROI.

## CERTIFICATIONS

★ **SBA SDE Certified**
★ **Maryland MBE (Minority Business Enterprise)**
★ **Maryland SBR (Small Business Reserve Program)**
★ **ISO 27001/9001 Certified**
★ **NIST 800-171 Certified**
★ **Oracle Partner Network**
★ **AWS Partner Network**
★ **Google Cloud Partner Advantage**

## NAICS CODES

★ **541512** Computer Systems Design Services
